In the Kargil war that took place from 3 May 1999 to 26 July 1999. The Indian army declared India's victory on July 26, 1999 and henceforth the day came to be celebrated as Kargil Vijay Diwas. Kargil war took place in the Kargil District of Jammu and Kashmir, along the Line of Control (LoC). Pakistan's army sent its soldiers in the name of intruders in the winters to take over the area. Their main objective was to cut the connections between Ladakh and Kashmir and to create tensions at the Indian border. Let us tell you that the intruders at that time were on the top whereas the Indians were on the downhill and so it was easy for them to attack. Finally, the war broke out between the two sides. Pakistani soldiers crossed the Line of Control that is LOC and entered the India controlled area.

“If death strikes before I prove my blood, I swear I'll kill Death” – Lt. Manoj Kumar Pandey

It is said that this was the only war after World War II in which such a large number of bombardments were carried out on the enemy army. Finally, India won a determined victory. We are admired ourselves to fulfil the objectives for our nation with the student spirit.
