Extension lecture on “Diversity and Inclusive Education”

Our college under the guidance of Research and Development committee has organized an extension lecture on “Diversity and Inclusive Education” on 5th Feb,2024 in P.P.N.Singh auditorium.

On this golden day our guest was **Dr.Vinay Kumar(Asst.Prof.) L N Mishra College of Business Management,Muzzaffarpur,Bihar.**

The inaugural session was started with lamp lighting. Our chief guest along with Principal mam and HOD of both faculties had lighted the lamp respectively and the session begun.

A welcome song sung by the students of B.Ed after lamp lighting. As welcome speech Mr.Manoj kr. welcomed him.

After that, Our guest had introduced the students and focused on the importance of “***Diversity and Inclusive Education***” in present education system. He spoke Teaching for inclusion signifies embracing difference. Teaching for equity allows the differences to transform the way we think, teach, learn and act such that all experiences and ways of being are handled with fairness and justice. These ideas complement each other and enhance educational opportunities for all students when simultaneously engaged. Three imperatives make it essential for us to actively practice teaching for diversity, inclusion, and equity:

1. Difference is an essential part of our history and current reality. Dealing with human diversity and differential status is intractable in America due to our national history of racism and tensions between individual freedom and the common good.
2. Difference is an unstoppable part of our future. Classrooms are increasingly diverse and demography assures that this trend will continue.
3. Diversity and inclusion improve teaching and learning. People learn and enrich their abilities to think critically and creatively as they engage in conversations across difference, especially when all learners' abilities and attributes are embraced.

After that some students have also shared their views and knowledge on this day. At last of the session Mrs.Roli Divedi has thanked the guest and shared her views on this day. The session was ended with the national anthem.
