

## Alumni Meet 12.03.2023

Our Institute regularly organizes Alumni meet to give chance to ex-students to gel with people whom they have not met in years. Also, they get connected with principals and other college staffs.

The college has a very strong alumni association, where decision are mostly taken by members themselves. Before the meet two meeting was organized at college campus to discuss about organizing the Alumni meet. In the meeting it was decided that this year meet will be organized on 12<sup>th</sup> March, and invitation was shared in association WhatsApp group. Suggestion was solicited and some of the suggestions were accepted, which helped in making itinerary of the event. Thus, final itinerary was prepared. The college had taken the responsibility of arranging lunch and entertainment.

On 12<sup>th</sup> March 2023, all Alumni were welcomed at gate. After this they assembled at Multi-Purpose hall. A welcome song was sang by current students. After this principal and Secretary of the college welcomed our ex-students and thanked them for taking out time from the busy schedule.

After this few Alumni shared their experience about the college, gave tips to current students. They also decided that it is their responsibility too to help Institute to grow, thus this year they

decided to donate some books to college library. After formal session all alumni proceeded to garden where lavish lunch was served. College had also arranged orchestra for entertainment.

Our alumni informally chat with each other. Everyone felt happy with the arrangement. Principal of the college thanked everyone for arranging a very well coordinated meet.
