

Report on Workshop

Our college under the guidance of Cultural committee had organized a Workshop on **“Best use of Waste”** on World Nature Conservation Day on **28th July, 2023** in P.P.N.Singh auditorium. On this day our chief guest was **Mr.Harishchnadra Kumar**.

The inaugural session was started with lamp lighting. Our chief guest along with Principal mam and HOD had lighted the lamp and the session begun. A welcome song sang by the students of B.Ed after lamp lighting. Our HOD had welcomed our guests with bouquet and shawl.

As welcome speech Mr.Sanjeev Kumar welcomed the guests. He spoke the uses of waste materials and their handling and collection.

Our chief guest spoke the uses of waste materials and their handling. He also focused on the increase in the amount of waste that is affecting the lives of so many people these days. Due to the rapid and continuous increase in the population, the amount of waste is generating and increasing day by day.

Therefore, there are prone to numerous types of diseases. Hence, pushing their lives is in threat. In order to retain a healthy life, proper hygiene and sanitation are very necessary. Therefore, it is only possible with the proper management of waste and their uses.

Technical session was organized by him .In this session he has elaborated mechanical and physical recycling and re use of materials through different activities.

At last of the session Mr.Manoj Kumar thanked the guests.The session was ended with the national anthem.
