Vigilance Awareness Week 29.10.2024

A Grievance redressal camp was organized in St. Paul Teachers' Training College, Birsinghpur Samastipur under the "Central Vigilance Awareness Week Campaign" directed by NCTE. Vigilance Awareness Week (VAW) was observed through this campaign camp in various Government offices/ private organization and public sector undertakings with the aim to make the trainees and general public present aware about the ill-effects of corruption in the society. Corruption can be defined as unethical behavior by people in official positions, which is done to benefit themselves or another person. It is a global issue that affects various sections of the society. While making the trainees aware, the Principal of the college, Dr. Roli Dwivedi said that the organization of Vigilance Awareness Week is an important component of the Commission's multi-pronged approach. Its primary strategies are to encourage collective participation by all stakeholders in the fight against corruption, and to increase the awareness of the general public about the existence of corruption, its causes, seriousness and growing threat. Corruption can be reduced to a great extent by adopting e-governance, procedural improvements, reducing discretion, minimizing personal interactions, technology based procurement and automation. The objective of Vigilance Awareness Week is to increase awareness among the general public about the adverse effects of corruption and encourage collective efforts to combat it. Being a responsible institution and as a part of this social awareness initiative, the college is conducting awareness campaigns through its wide network.
