Tech Talk on Trading Technology

Technology is evolving at rapid rate and a new group of technologies set to therevolutionizethe way people live and work over the next decade.

In our college St. Paul Teachers' Training college a workshop was concluded on the topic teach talk on trending technology under the guidance of principle for 7 days. Our guest was a Alok Kumar director of infinity.

As our guest is from technological field. He knows very well the use of ICT or online for the implementation of teaching learning.

The most discussed technology is that workshop and artificial intelligence machine learning virtual reality and several types of apps like uncademy, Byju's and state government App swayam prabha etc.

Every day he has discussed with us the trending technology as we are aware about some of them but not all. That's why he suggested some points with us how we can use technology and artificial intelligence to enhance the learning program.

Some of the doubt were asked by the faculties those who were not very aware about knowledge of technology by this hour all faculties got benefited with this 7 days' workshop of the trending technology and its uses.
