## Action Taken Report on Feedback

(2019-21)

On the basis of the feedback received from the students, faculties, Parents and Employer on B.Ed session 2019-21, following action were taken.

- Though our library has good number of books and journals and students are satisfied with resources available. It was suggested in feedback that more time given to students so that they utilize available resources in effective manner. In this context it was decided that after college hour library will remain open and separate library period will be given to students.
- It has come to the notice through feedbacks that course content should be completed through learning by doing as many project work , thus it was decided in curriculum that more project work will be given to student and faculties will provide feedback to students for their improvement. Faculty should follow a rigorous evaluation procedure by considering individual projects ,group projects, presentation and other means as required in the course.
- In feedback it came to notice that faculty should focus more on designing quizzes/test/ assignment/ project. Thus, it was decided that after completion of each topic faculty will conduct test/quiz to have better understanding of topic to students.
- This had been informed by employer through feedback that more involvement required in social and co-curricular activities. It was decided that concern committee needs to have better planning while conducting co-curricular activities and ensured that feedbacks and perception on this should improve immediately.
- While having parents feedbacks , it was seen that parents have little concern on relation between non- teaching staffs and students , it was decided that principal madam will have meeting and have a word with non -teaching staffs especially office staffs to ensure immediate improvement in handling students concern.

- Students of B.Ed session 2020-22 had felt that some more efforts required to excel. It was decided that Institute is required to accelerate learning by formative assessment. This will help students and faculty to check learning efforts time to time.
- Ability to integrate content with other course, it was decided that the same will be implemented in the context of NEP2020. The college will use multi - disciplinary approach to integrate content with other courses. The Institute will conduct some guest lecture, special talks on NEP to develop 21<sup>st</sup> century skills among students.
- In feedback it was noticed that some more sincerity is required from faculty. It was decided that Faculty should follow rigorous evaluation procedure and more sincerity required while engaging students in theoretical and practical assignment like data collection, community engagement, presentation, use of technology, teaching session etc. Sincere internal assessment also go side by side to cater this need. Institute will also organize FDP to upgrade skills of faculty.
- In employer survey it was found that syllabus should be more relevant to skill development. It was decided that, Institute will organize more value added courses on ICT/English speaking / Music /Yoga etc. Hands on experience would be provided to students to ICT and integrate it in teaching-learning. Focus would also be given on improving communication skills, report writing, CV writing etc.
- Under Parents feedback concern was shown on fee structure, it was felt that no change is possible in fees structure but Institute will remain flexible in making more instalments for needy students. A sperate request will be forwarded from students. Institute will also have internal scholarship programme. It was also decided that complete support will be provide to help students in availing Govt. scholarship.
