School Internship:

Having gained some experience with the child, the community and schools in the first Year, the second year would offer intensive engagement with the school in the form of School Internship. During the first year, to support better understanding of schools and in preparation of Internship, teacher education institutes shall make provisions for visits to innovative centres of pedagogy and learning - innovative schools, educational resource centres, etc. for at least four weeks. In the Second Year School Internship should be organized for sixteen weeks.

During the Internship,

- A student-teacher shall work as a regular teacher and participate in all the school activities, including planning, teaching and assessment, interacting with school teachers, community members and children.
- The student-teachers will observe the school and its classrooms for a week, to understand the school in totality, its philosophy and aims, organization and management;
- The student-teachers will understand the needs of the physical, mental, emotional development of children; aspects of curriculum and its transaction; quality, transaction, and assessment of teaching-learning.
- Student-teachers are to be actively engaged in teaching at two levels, namely, upper primary and secondary.
- They should be provided opportunities to teach in government and private schools with systematic supervisory support and feedback from faculty.
- Internship in schools is to be done for a minimum duration of 16 weeks. This should include an initial phase of one week for observing a regular classroom with a regular teacher and would also include peer observations, teacher observations and observations of interns' lessons by faculty.
- For each student-teacher, internship should be conducted preferably in one school for the entire 16 weeks.
- During Internship student-teacher has to organize different activities in the school such as co-curricular activities and do case studies on infrastructural facilities available or on any other issue of importance.
- Internship should not be reduced to the 'delivery' of a certain number of lesson plans, but it should aim for meaningful and holistic engagement with learners and the school.
- Learners have to maintain following records-
 - 1) Lesson plans (30 in each school subject)
 - 2) Micro plans on core teaching skills
 - 3) Preparing teaching-learning materials (20 in each school subject)
