Chairman Message

It is my privilege to greet you on behalf of St. Paul Teachers' Training College Birsinghpur. We believe that excellence in education is achieved when it is student oriented and delivered with scientific and creative teaching approaches by skilled teachers who love their subject and their students. Students cannot become gems until they are polished by good teachers. Dedicated and effective teachers are harbingers of good education. Keeping this in mind we always look for excellent faculty and infrastructure. Academic excellence, holistic education, global relevance and values continue to be the cornerstones of SPTTC, I am confident that these four aspects will always define learning at St. Paul Teachers Training College Birsinghpur. We are deeply entrenched in the process of building an academic culture that is based on norms of merit based advancement and putting structure in place that would help build and resource like well equipped labs, advancement in library etc. that are needed to create an outstanding institution.

Secretary Message

Education is the manifestation of love and most cherished possession of mankind. Education drives away ignorance and through illumination it emboldens a man to a righteous thought and action. It empowers a woman and enlarges the horizon of her mind.

In order to accomplish vision of our founder Shri Pasmeshwar Prasad Narain Singh to make SPTTCB a premier teacher training institution, we in SPTTCB leave no stone unturned to make this happen.

Our college cares for the individual development of each and every student. We accord prime importance to the behavioral discipline, moral integrity and cognitive development of our students.

Dr. Roli Dwivedi
(Principal)

Principal Message

The education system often poses a number of challenges before the teachers . No teacher can survive in this dynamic profession without equipping himself with a variety of skills & qualities that improve his knowledge , ability and quality.

The teacher is not mere a guide in the most conventional system. He is much more than a regular counselor a value developer & a torch bearer of change.

It is our endeavor in the SPTTC Birsinghpur to provide dynamic learning process to train , equip and mould the teacher trainees to cater to the expectation of the modern society

The college has magnificent building , spacious lawns , well –equipped laboratories and a rich library .

The college staff is highly qualified and dedicated .The college aims at harmonious development of the personality of the students and provide conducive environment for learning.

Dr. A.P. Singh
HOD (D.ELED)

ABOUT

Parmeshwar Neeta Educational Trust

Continuing our zest to promote education, Parmeshwar Neeta Educational Trust is focused on teaching and training. A pioneer in education space with over a decade of experience in teaching and learning for teachers and students, we at PNET strongly believe in leveraging the use of information, communication and Technology to enhance the learning and teaching experience in schools while cultivating educational practitioners to become smart thinkers. This Trust has been founded on the same philosophy to aid us in realizing our larger dream of spreading the light of knowledge. Our Teacher Training and School education programme enables teachers who have no, little or some teaching experience, with technology tools and effective pedagogy techniques to make the teaching-learning experience in classroom effective and enjoyable.

Our Teacher Training and School Education programme offers:

- New methodologies/ approach in teaching and learning
- Active communicative English
- Motivation and attitudinal change
- Technology skill enhancement
- ICT in education- computer based learning and computer- aided learning
- Subject- based training • Life skills training

We in PNET strongly believe that students and teachers themselves need a creative ideas for systematic improvement, they need a creative environment to enjoy their job and make it meaningful. Our philosophy is not give fish to a hungry person, teach him to catch fish and he will never be hungry. Attempt should also be made to avoid too fast and drastic changes. A slow change gets internalized stay forever.
