

## **Three days Faculty Enrichment Programme**

**Organized By**

**St. Paul Teachers' Training College Birsinghpur,  
Samastipur**

**(01.07.2023 to 03.07.2023)**

### **About College**

St. Paul Teachers Training College is situated at Samastipur district of Bihar. The college is recognized by NCTE and affiliated to Lalit Narayan Mithila University, Darbhanga. This College offers Bachelor of Education (B.Ed.) and Diploma in Elementary Education (D.El.Ed.) courses. The college was setup with the aim to develop an institution with strong academic platform that would help to prepare students to develop a career for themselves in their chosen field. The quest for achieving higher learning is growing and education serves critical function in career building. The object of learning is to prepare the young students to educate themselves throughout their lives. There is no doubt that the number of institution is growing rapidly but there is dearth of quality education. St. Paul teachers training college makes constant endeavour to teach budding professionals through innovative ideas. The outstanding performance of the students in the academy as well as co- curricular activities depicts these efforts. The institution provides congenial and conducive environment along with incorporating the recent trends and developments which facilitate teaching learning process with expected outcomes.

## About Faculty Enrichment Programme (FEP)

The Program aims at enhancing the academic and intellectual environment in the Institutions by providing faculty members with enough opportunities to pursue research and also to participate in seminars / conferences / workshops. Participation in such programmes would enable faculty members to update their research and pedagogical skills. The main idea behind Faculty Enrichment Programmes (FEPs) across the world is "upskill".

### Objective

Teachers are the core of any education system and empowering them with latest development, analyzing them on the new and emerging trends encouraging pedagogical improvements and methodology is both a significant and critical need. The faculty Enrichment Programme (FEP) intends to facilitate upgradation of knowledge, skill and intense to provide opportunities for induction training. The objectives are: -

- To enhance the teaching and other skills of the faculties and to make them aware about modern teaching tools and methodology.
- To provide an opportunity to acquire knowledge about current technological development in the teacher education.

It will not only promote the professional practices relevant to teacher education but also motivates the faculty to achieve complete teaching and learning environment and channelizing development with respect to academy qualification and personal behavior. Such activities act as catalyst to motivate prospective teacher candidates for outstanding performance.

### Mission

FEP aims to guide, support, and facilitate faculty and prospective teacher candidates' success through creative programming, innovative tools, and personalized support.

### Vision

A faculty development program dedicates to promote a college culture in which faculty have the necessary time for reflection, assessment, and scholarly work.

- To accelerate teaching learning process by way of promoting independent critical and creative thinking.
- To enable the development of skill engaging latest pedagogical devices as add to teaching learning process.
- To help faculty capacity building for curricular designing and scientific assessment and evaluation. It develops innovative programs that will strengthen in the inclusive nature of teacher educators by bringing this advantages and marginal sector of society.
