Alumni Meet 12.03.2023

Our Institute regularly organizes Alumni meet to give chance to ex-students to gel with people whom they have not met in years. Also, they get connected with principals and other college staffs.

The college has a very strong alumni association, where decision are mostly taken by members themselves. Before the meet two meeting was organized at college campus to discuss about organizing the Alumni meet. In the meeting it was decided that this year meet will be organized on 12th March, and invitation was shared in association WhatsApp group. Suggestion was solicited and some of the suggestions were accepted, which helped in making itinerary of the event. Thus, final itinerary was prepared. The college had taken the responsibility of arranging lunch and entertainment.

Prof. Verma is experienced in handling these workshops. He had already conducted many workshops on career guidance. Prof. Verma talked about opportunities available for B.Ed. students. As per him, students should not only focus on qualifying CTET/STET but should also pay attention to enhancing skills.

After B.Ed. students not only go for teaching but they can also become educational counselors. The role of an educational counselor is to guide students dealing with academic problems. He also talked about how teaching is the most noble profession and it involves a lot of respect. Prof. Verma also took questions from students, answered their queries.
